

Dr DIMITRIOS E. ROZOS, PhD, MSc Eng. Geologist, Associate Prof. in NTUA.
Married and father of two daughters.

Education: His Degree in Geology was received, from Athens University in 1971, his MSc Degree from the University of Leeds (England) in 1982 and his PhD from University of Patras (Greece) in 1989.

Occupation: From 1973 to 1976 in "Geoerevna SA" (private geotechnical firm) as Engineering Geologist. From 1976 to 2002 in the Engineering Geology Department of the Institute of Geology and Mineral Exploration of Greece (IGME), as Senior Engineering Geologist (1973-1991), as Deputy Director of that Department (1991-1999) and as Director of it (2000-2002). Finally, he was appointed Lecturer at the National Technical University of Athens (NTUA) in 2002, Assistant Prof. in 2007 and associate Prof. in 2012.

Research experience: Coordinator in more than 15 research programs and Principal investigator or Co-Investigator in more than 320 research projects studies and technical reports on Engineering Geology, Geotechnical Engineering, Computational Geotechnical Engineering, Hydrogeology, Environmental Geology, Engineering Seismology and Earthquake Engineering, during his professional activities in IGME and NTUA. He has been participated in more than 60 congresses and conferences, while he was member of the organizing committee of 5 symposiums (two of the IAEG held in Athens, 1988 and 1997) and he has also been referee, in Eng. Geological and Hydrogeological congresses, as well as in two Greek and two foreign scientific journals.

Publications: More than 100 papers alone or with his colleagues in scientific magazines and in congress proceedings, 3 Scientific – educational books, 6 other educational notes for students, 44 prototype scientific maps and 296 technical reports, cited in more than 300 references up to now.

Referee in Scientific magazines

He has been referee in:

1. The scientific magazine of GEOTEE,
2. The scientific magazine “Mineral Wealth”,
3. The scientific magazine “Environmental Earth Sciences” of Springer,
4. The scientific magazine “Journal of Agricultural science and technology”,
5. In various congresses, such as the 10^o (2004) and the 12th (2010) International Congresses of the Geological Society of Greece,
6. The 8^o International Hydrogeological Congress of Greece (2008).

Service on Commissions, etc:

1. Member of IAEG.
2. Member of GEOTEE
3. Member of Geological Society of Greece
4. Member of Greek Geologists Association
5. Member of ICOMOS
